7. [Conference “Ukraine and the EU”](#)

**Exhibition directions:** <https://www.neweurovision.com/en/nevg-102>

**Venue: Riga, Latvia.**

Riga is a great place for such exhibitions!

The International Exhibition Centre in Riga is the largest specialized exhibition facility in the Baltic countries. <https://www.neweurovision.com/en/international-exhibition-centre>

**Time: 4-5 May 2024.**

**WEB:** <https://www.neweurovision.com/en>

**Organizers of the exhibition:** *New Euro Vision: exhibitions, marketing, research S.R.O. Czech Republic*

**The exhibition is held by:** *The International Exhibition Company BT 1, Riga,*

*Latvia.* <https://www.bt1.lv/?link=10300000>. BT 1 works side by side with more than 60 industry associations producing different joint events – conferences, seminars, master classes, presentations – held during trade shows. <https://www.bt1.lv/?link=10300001>

### **Exhibition logistics:**

The geographical location of Riga is optimal for the logistics of such exhibitions. Riga is an important transportation hub. There are numerous comfortable ways to reach the city. Riga is home to a significant number of pleasant hotels.

Representatives of Ukrainian businesses can also reach Riga with relatively little difficulty. During periods of war, this is crucial.

### **Exhibitors participating in the exhibition:**

- Construction companies.
- Companies for the production of building materials.
- Companies for the production and sale of construction equipment.
- Architectural companies.
- Engineering companies.
- Banking sector.
- Construction universities.
- Engineering universities.
- Geoinformatics companies.

- Marketing companies.
- Environmental companies.
- Public organizations.

Exposition in B2B format. No political discussion, which is so popular in Ukraine. *The purpose of the exhibition is to identify construction and engineering partners for the restoration of Ukraine. Numerous efforts have been made to attract Ukrainian construction and engineering firms to exhibitions. They offer discounted prices. New Euro Vision Group supports financially the active participation of Ukrainian enterprises in the exhibition.*

**Geography of participants:**

There will be corporations from Europe, the United States, Canada, Japan, and South Korea. 200-250 Ukrainian firms are anticipated. There will be a presentation of construction and engineering firms from the most diverse regions of Ukraine.

**Prices for equipped stands in Riga:** <https://www.neweurovision.com/en/equipped-stands-in-riga>

12 square meters	41	492
15 square meters	40	600
25 square meters	39	975

[INFORMATION ON STANDS, EQUIPMENT AND PRICES \(in pdf\)](#)

*We are concerned with extremely reduced prices. European and even post-Soviet prices for comparable exhibitions are five to seven times higher. This is due to the fact that the New Euro Vision Group does not intend to generate a profit from the exhibition. Our emphasis is on investment ventures in Ukraine.*

**Tickets:**

The price of exhibition tickets at the venue's box office is **100 (one hundred) euros**. The ticket grants you access to all exhibition events for two days.

Admission is free for personnel of a company with an exhibition booth.

Ticket reductions:

- Tickets purchased before November 1, 2023 are discounted by 25%.
- Tickets purchased before February 1, 2024 are 15% off.

**Online participation in the exhibition of a few Ukrainian businesses:**

Some Ukrainian businesses will have an online presence. Due to martial law, it is impossible to reach the location of the exhibition. Online participation enables a significant increase in the number of active Ukrainian participants. Expanding engagement opportunities with Ukrainian construction and engineering firms. <https://www.neweurovision.com/en/nevg-expo-service-2>
